

Prueba Mobile MomotoLabs

La siguiente App móvil esta desarrollada con el lenguaje de programación JAVA en el IDE de Android Studio.

Se trata de una pequeña aplicación con las funcionalidades de:

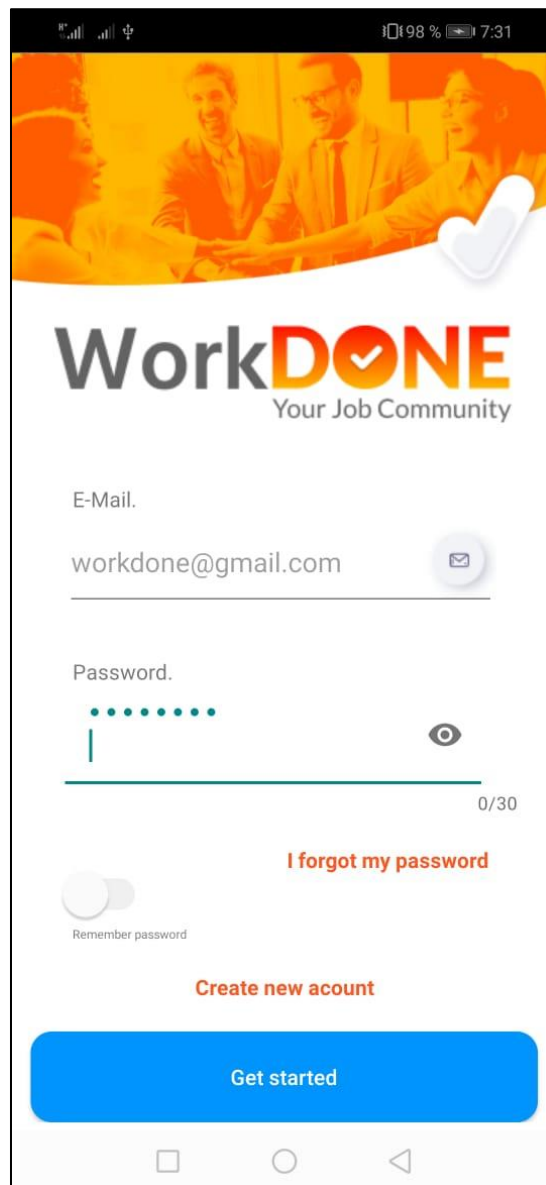

- ✓ Registrar usuarios
- ✓ Acceder a la App mediante una ventana de login
- ✓ Recordar contraseñas y usuarios
- ✓ Cerrar sesión
- ✓ Mostrar mensajes de validación o corrección

A continuación, algunas imágenes de las vistas.

- PlashScreen al iniciar la App

➤ Pantalla de login

The image shows a mobile application login screen for 'WorkDONE'. At the top, there is a header with a group of people in a meeting, overlaid with an orange gradient. Below the header is the app logo 'WorkDONE' in a bold, sans-serif font, with 'DONE' in orange and a checkmark inside the 'O'. Underneath the logo is the tagline 'Your Job Community'. The main form area contains two input fields: 'E-Mail.' with the placeholder 'workdone@gmail.com' and an email icon, and 'Password.' with a series of dots for the password and a toggle icon. Below the password field is a 'Remember password' toggle switch and a link 'I forgot my password'. At the bottom of the form is a link 'Create new account' and a large blue button labeled 'Get started'. The screen is framed by a black border, and the bottom navigation bar is visible.

➤ Pantalla para registrarse

The image displays two side-by-side screenshots of a mobile application's registration screen. Both screenshots show a status bar at the top with signal strength, 100% battery, and the time 7:31 (left) and 7:32 (right).

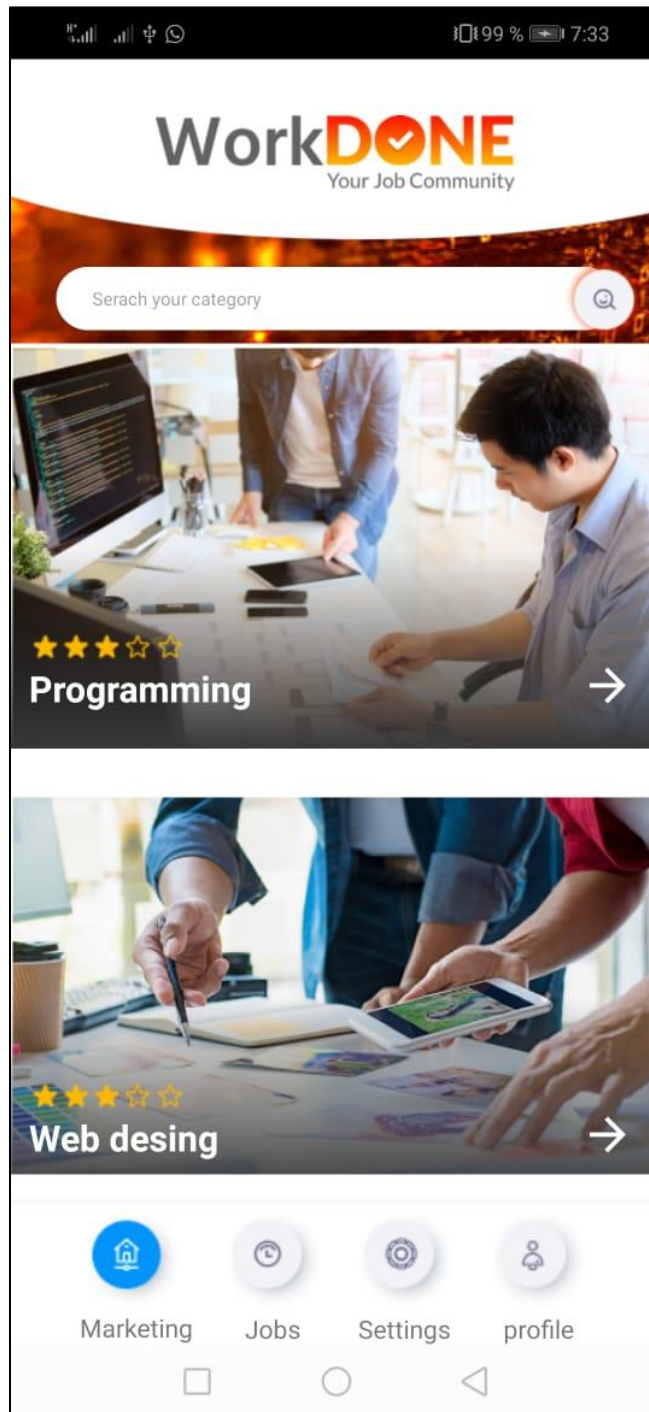

Left Screenshot: The header features a back arrow and the text "Sign up" in white on a dark orange background. A large white checkmark icon is overlaid on the right side. Below the header, there are five input fields, each with a circular icon to its right: "First name." (person icon), "Last name." (person icon), "E-Mail address." (envelope icon), "Your password." (password icon), and "Confirm your password." (password icon). At the bottom, a note states: "At least 8 characters containing a letter and a number".

Right Screenshot: This screenshot shows the same registration form but with a blue "Create Account" button at the bottom. The input fields and icons are identical to the left screenshot. The note at the bottom is also present: "At least 8 characters containing a letter and a number".
